COS'È UNA PIAZZA?

A TRADITIONAL TOWN SQUARE, IN A NON TRADITIONAL WORLD

In Italy, la piazza is the jovial square in the heart of every village, where people meet to shop, eat and drink. It is the place where friends and family come to be all together.

At Eataly, we created La Piazza for the same reason. Stay with us to chat, eat, drink and just be together in the most real way possible, in this virtual-loving world.
